When you walk into the doors of Divine Unity Community Church (DUCC) you will see a wide variety of clothing choices, from jeans and hoodies to dresses and ties. What is most important is that you come to worship God and listen to what He has to teach you. We want the service to be our gift to you and for you to leave knowing that God loves you—it's not about what you wear.

## **5. After I complete my membership class how do I transition into being a member? How do I learn about the structure of our church? Do I have to be a member to join a ministry?**

Once you complete your membership class you are officially a member of Divine Unity Community Church! You can jump right into Sunday assignments, classes, and involvement with our church community.

You can learn about the structure of the church by attending the new member's class or going online to [www.ducchurch.org](http://www.ducchurch.org) to learn more information about us.

We do prefer that the people involved with the ministries at DUCC are members of our church body. However, we always love (and welcome) volunteers!

## **6. Once I join a ministry, what are the expectations of being a part of a ministry team?**

Our number one expectation is that our ministry members reflect Christ in everything they do. Depending on the ministry team that you are a part of, we also expect punctuality and a readiness to follow the leadings of the Holy Spirit in your ministry.
